SECTION 2. Administration.

(a) The Plan will be administered by the Board; *provided, however*, that to the extent permitted by applicable law, the Board may delegate any or all of its powers under the Plan to one or more committees or subcommittees of the Board; *and provided further*, that the authority of any Committee appointed pursuant to this Section 2 will be subject to such terms and conditions, if any, as the Board may prescribe. Subject to the requirements of the Company's Bylaws (as the same may be amended and/or restated from time to time) (the "**Bylaws**") and Certificate of Incorporation (as the same may be amended and/or restated from time to time), any Stockholders Agreement and any other agreement that governs the appointment of Board committees, any Committee established under this Section 2 will be composed of not fewer than one member, who shall serve for such period of time as the Board determines. From time to time the Board may increase the size of the Committee and appoint additional members thereto, remove members (with or without Cause) and appoint new members in substitution therefor, fill vacancies however caused, or remove all members of the Committee and thereafter directly administer the Plan.

(b) If and to the extent permitted by law, the Board may (i) authorize one or more officers of the Company to make Awards to officers and employees of the Company and its Subsidiaries and/or (ii) delegate administrative functions with respect to the Plan and Awards to individuals who are officers or employees of the Company or its Affiliates.

(c) Directors who are eligible for Awards or have received Awards may vote on any matters affecting the administration of the Plan or the grant of Awards, except that to the extent prohibited by applicable law no such member will act upon the grant of an Award to himself or herself, but any such member may be counted in determining the existence of a quorum at any meeting of the Board during which action is taken with respect to the grant of Awards to himself or herself.

(d) The Board will have full authority to grant Awards under this Plan. In particular, subject to the terms of the Plan, the Board will have the authority:

(i) to select the persons to whom Awards may from time to time be granted hereunder (consistent with the eligibility conditions set forth in Section 4);

(ii) to determine the type of Award to be granted to any person hereunder;

(iii) to determine the number and type of Shares, if any, to be covered by each Award;

(iv) to establish the terms and conditions of each Award Agreement;

(v) to determine whether and under what circumstances an Option may be exercised without a payment of cash under Section 5(b)(iv);

(vi) to adopt special guidelines and provisions for Persons who are residing in or employed in, or subject to, the taxes of, any domestic or foreign jurisdictions to comply with or as otherwise advisable under applicable laws of such domestic or foreign jurisdictions, including, without limitation, tax and securities laws;

(vii) to determine whether, to what extent and under what circumstances Shares and other amounts payable with respect to an Award may be deferred either automatically or at the election of the Participant;

(viii) to amend any outstanding Awards, including, without limitation, for the purpose of modifying the time or manner of vesting, or the term of any outstanding Award; *provided, however*, that if any such amendment materially impairs a Participant's rights or increases a Participant's obligation under his or her Award, such amendment shall also be subject to the Participant's consent;

(ix) to accelerate the time at which an Award may first be exercised or the time during which an Award or any part thereof will vest in accordance with the Plan, notwithstanding the provisions in the Award stating the time at which it may first be exercised or the time during which it will vest; and

(x) to require that, upon exercise of any Award granted under the Plan, the Participant shall become party to (X) any Stockholder Agreement the Board may require and (Y) any other agreement the Board may require.

(e) The Board will have the authority to adopt, alter and repeal such administrative rules, guidelines and practices governing the Plan as it, from time to time, deems advisable; to establish the terms of each Award Agreement; to interpret the terms and provisions of the Plan and any Award issued under the Plan (and any Award Agreement); and to otherwise supervise the administration of the Plan. The Board may correct any defect, supply any omission or reconcile any inconsistency in the Plan or in any Award in the manner and to the extent it deems necessary to carry out the intent of the Plan.

(f) All decisions made by the Board pursuant to the provisions of the Plan will be final and binding on all persons, including, without limitation, the Company, its Affiliates and Participants. No Director or member of the Committee, nor any delegate thereof, shall be liable for any act, omission, interpretation, construction or determination made in good faith in connection with the Plan, and each of the foregoing shall be entitled in all cases to indemnification and reimbursement by the Company in respect of any claim, loss, damage or expense (including, without limitation, reasonable attorneys' fees) arising or resulting therefrom to the fullest extent permitted by law and/or under any directors' and officers' liability insurance coverage which may be in effect from time to time.

SECTION 3. Shares Subject to the Plan.

(a) Shares Subject to the Plan. The Shares to be subject to or related to Awards under the Plan will be authorized and unissued Shares of the Company, whether or not previously issued and subsequently acquired by the Company. Subject to Sections 3(b) and 3(c) hereof, the maximum number of Shares that may be subject to Awards under the Plan is 120, 000, all of which may be issued in respect of Incentive Stock Options. The Company will reserve for the purposes of the Plan, out of its authorized and unissued Shares, such number of Shares.

(b) Effect of the Expiration or Termination of Awards. If and to the extent that an Option expires, terminates or is canceled or forfeited for any reason without having been exercised in full, the Shares associated with that Option shall again become available for grant under the Plan. Similarly, if and to the extent any Restricted Stock, Restricted Stock Unit or Other Share-Based Award is canceled, forfeited or repurchased for any reason, the Shares so canceled, forfeited or repurchased shall again become available for grant under the Plan. If any Share is withheld pursuant to Section 16(f) in settlement of a tax withholding obligation associated with an Award, that Share will again become available for grant under the Plan. Finally, if any Share is received by, or surrendered to, the Company in satisfaction of the exercise price payable upon exercise of an Option, that Share will become available for grant under the Plan. This Section 3(b) shall be construed and interpreted in accordance with the requirements of Section 422 of the Code.

(c) Other Adjustment. Subject to any required action by the stockholders of the Company, the number and type of Shares covered by each outstanding Award, and the number and type of Shares that are authorized for issuance under the Plan but as to which no Awards have yet been granted (including Shares of previously granted Awards that are available for new grants pursuant to Section 3(c)), shall be proportionately adjusted for any increase or decrease in the number of issued Shares resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, merger, consolidation, or other similar type of change in capitalization, or any other increase or decrease in the number of issued Shares effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. In the event of any pending stock split, reverse stock split, stock dividend, combination or reclassification of Common Stock, merger consolidation, other similar change in capitalization, or any other change affecting the Shares or the price of Shares, for reasons of administrative convenience, the Board may refuse to permit the exercise of any Award during a period of up to thirty (30) days prior to the consummation of any such transaction. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of Shares subject to an Award hereunder. With respect to any Award subject to Section 409A of the Code or could be subject to 409A, no such adjustment shall be authorized to the extent that such adjustment would cause the Plan or Award to fail to comply with Section 409A or an exemption thereunder.

(d) Change in Control. Notwithstanding anything to the contrary set forth in the Plan, upon or in anticipation of any Change in Control, the Board may, in its sole and absolute discretion and without the need for the consent of any Participant, take one or more of the following actions contingent upon the occurrence of that Change in Control: (i) cause any or all outstanding Options held by Participants affected by the Change in Control to become vested and immediately exercisable, in whole or in part; (ii) cause any or all outstanding unvested Options held by Participants affected by the Change in Control to be cancelled without any consideration therefor; (iii) require any or all outstanding Options held by a Participant to be exercised in advance of the Change in Control and, to the extent not exercised, canceled; (iv) cause any or all Restricted Stock, Restricted Stock Units or Other Share-Based Awards held by Participants affected by the Change in Control to become non-forfeitable, in whole or in part; (v) cancel any Option in exchange for a substitute option in a manner consistent with the requirements of Treas. Reg. §1.424-1(a) (notwithstanding the fact that the original Option may never have been intended to satisfy the requirements for treatment as an Incentive Stock Option); (vi) cancel any Restricted Stock, Restricted Stock Units or Other Share-Based Award held by a Participant affected by the Change in Control in exchange for restricted stock of, restricted stock units or other stock-based awards in respect of, the capital stock of any successor corporation; (vii) redeem any Restricted Stock held by a Participant affected by the Change in Control for the "Change in Control Consideration" (as defined below); (viii) cancel any Option held by a Participant affected by the Change in Control in exchange for cash and/or other substitute consideration with a value, subject to Section 3(e) hereof, equal to (A) the number of Shares subject to that Option, multiplied by (B) the excess, if any, of the Change in Control Consideration per Share over the exercise price per Share of that Option; *provided,* that if the Change in Control Consideration per Share does not exceed the exercise price of any such Option, the Option shall be canceled without any payment of consideration therefor; (ix) cancel any Restricted Stock Unit or Other Share-Based Award held by a Participant affected by the Change in Control in exchange for cash and/or other substitute consideration with a value equal to, subject to Section 3(e) hereof, the Change in Control Consideration per Share on the date of the Change in Control; (x) condition the right to receive payment with respect to Awards on execution of a release of claims in a form furnished by the Company and agreement to be bound by any definitive transaction document in connection with the Change in Control, including being subject to any escrow, holdback, indemnification obligation and appointment of an escrow agent or seller/stockholder representative; and/or (xi) take any other action necessary or appropriate to carry out the terms of any definitive agreement controlling the terms and conditions of the Change in Control. The Board shall not be required to treat all outstanding Awards held by Participants or all Awards held by a single Participant similarly. For purposes of the foregoing, "**Change in Control Consideration**" means with respect to any Change in Control, the value, subject to Section 3(e) below, of cash and/or property that would have been received by a Participant upon the exercise of, or realization of the Participant's rights with respect to, an Award upon the consummation of the Change in Control, as determined by the Board in its sole and absolute discretion.

(e) Additional Requirements. Notwithstanding anything contained in the Plan or in an Award Agreement to the contrary, in the event of a Change in Control, each Participant shall, except to the extent otherwise determined by the Board, be subject to substantially the same escrow, indemnification and similar obligations, contingencies and encumbrances contained in the definitive agreement relating to the Change in Control as other holders of shares may be subject (including, without limitation, the requirement to contribute a proportionate number of Shares, cash or property to an escrow fund, or otherwise have a proportionate amount of such Shares, cash or other property encumbered by the indemnification, escrow and similar provisions of such definitive agreement). By accepting an Award, a Participant agrees to execute such documents and instruments as the Board may require for the Participant to be bound by such obligations. In the event that a Participant fails or refuses to execute such documents and instruments, such Participant's Award (to the extent outstanding as of the date of the Change in Control) shall, unless otherwise determined by the Board, be canceled without payment of consideration and be of no further force and effect upon the consummation of a Change in Control.

SECTION 4. Eligibility. All Service Providers are eligible to be granted Awards under the Plan; *provided, however*, that only employees of the Company or a Subsidiary are eligible to be granted Incentive Stock Options and, *provided, further*, that any Award granted to any prospective Service Provider shall be subject to such Service Provider's commencement of employment or service with the Company or any of its Affiliates, and shall not be effective prior to such commencement. The Board's determinations under the Plan (including, without limitation, determinations of which persons are to receive Awards and in what amount) need not be uniform.

SECTION 5. Options.

(a) Options granted under the Plan may be of two types: (i) Incentive Stock Options or (ii) Non-Qualified Stock Options. Any Option granted under the Plan will be in such form as the Board may at the time of such grant approve. Notwithstanding the foregoing, the Company shall have no liability to any Participant or other person if an Option designated as an Incentive Stock Option fails to qualify as such at any time.

(b) The Award Agreement evidencing an Option will incorporate the following terms and conditions and will contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Board deems appropriate in its sole and absolute discretion:

(i) Option Price. The exercise price per Share purchasable under an Option will be not less than 100% of the Fair Market Value of a Share on the date of the grant; *provided, however*, that any Incentive Stock Option granted to any Participant who, at the time the Option is granted, owns more than 10% of the voting power of all classes of shares of the Company or of a Subsidiary will have an exercise price per Share of not less than 110% of Fair Market Value per Share on the date of the grant. Notwithstanding the foregoing, Options may be granted with an exercise price lower than Fair Market Value on the date of the grant if (x) such Option is a Substitute Award, subject to the requirements of Section 409A and, with respect to Incentive Stock Options Section 424(a) of the Code, or (y) such Option is otherwise exempt from or compliant with Section 409A.

(ii) Option Term. The term of each Option will be fixed by the Board, but no Option will be exercisable more than ten (10) years after the date the Option is granted. However, any Incentive Stock Option granted to any Participant who, at the time such Option is granted, owns more than 10% of the voting power of all classes of shares of the Company or of a Subsidiary may not have a term of more than five years. No Option may be exercised by any person after expiration of the term of the Option.

(iii) Exercisability. Options will vest and be exercisable at such time or times and subject to such terms and conditions as determined by the Board at the time of grant. If the Board provides, in its sole and absolute discretion, that any Option is exercisable only in installments, the Board may waive such installment exercise provisions at any time at or after grant, in whole or in part, based on such factors as the Board determines, in its sole and absolute discretion. Except to the extent required by applicable law, upon action by the Board in its sole and absolute discretion, vesting of Options may be tolled during a Participant's leave of absence, effective as of the date the leave commenced.

(iv) Method of Exercise. Subject to the exercisability provisions of this Section 5(b)(iv), the termination provisions set forth in Section 6 and the applicable Award Agreement, Options may be exercised in whole or in part (provided that the Company shall not be required to issue fractional shares) at any time and from time to time during the term of the Option, by the delivery of written notice of exercise by the Participant to the Company specifying the number of Shares to be purchased, the election to exercise, and such other representations and provisions as may be required by the Company in its sole and absolute discretion. The Board may limit how frequently Participants may exercise Options. The Board shall determine whether cash, additional Awards or other securities or property shall be issued or paid in lieu of fractional shares of Common Stock or whether any fractional shares should be rounded, forfeited or otherwise eliminated.

(v) Method of Payment. A notice of exercise delivered by a Participant to the Company must be accompanied by payment in full of the purchase price, which may be by any of the following (or a combination thereof): (i) cash; (ii) certified or bank check; (iii) subject to the approval of the Board, promissory note having such terms as the Board may, in its sole discretion, permit; (iv) subject to approval of the Board, a recourse interest bearing note secured by all of outstanding equity held by Participant; (v) subject to the approval of the Board, by surrender of Shares having a Fair Market Value on the date of exercise equal to the purchase price; (vi) subject to the approval of the Board, by surrendering Shares issuable upon the exercise of the Option having a Fair Market Value on the date of exercise equal to the purchase price; (vii) if the Shares are traded on a stock exchange, national market system or in the over-the-counter market, pursuant to such cashless exercise procedures as may be approved and implemented by the Board from time to time, including, without limitation, pursuant to broker-assisted exercise transactions and/or net exercise procedures; or (viii) such other means as the Board may permit. No Shares will be issued upon exercise of an Option until full payment therefor has been made. Unless otherwise specifically provided by the Board, the exercise price that is paid by delivery to the Company of other Common Stock acquired, directly or indirectly from the Company, shall be paid only with Shares that have been held for more than six months (or such longer or shorter period of time required to avoid a charge to earnings for financial accounting purposes). A Participant will not have the right to distributions or dividends or any other rights of a stockholder with respect to Shares subject to the Option until the Participant has given written notice of exercise, has paid in full for such Shares, and, if requested, has given the representation described in SECTION 16 hereof.

(vi) Tax Withholding. Upon exercise of an Option, the Company shall have the right to require a Participant to remit to the Company cash in an amount sufficient to satisfy all applicable Federal and state tax withholding requirements (or to make other provision for tax withholding requirements as permitted by the Plan and by applicable law). In the event a Participant disputes the amount withheld or required to be withheld, Participant's sole recourse shall be to seek a refund from the applicable tax authority. To the extent permitted by applicable law, the Company can withhold any taxes owed from future payments to Participant.

(vii) Early Exercise of Unvested Option. If permitted by an Award Agreement or the Board, an outstanding Option, to the extent it is not yet exercisable, may be exercised subject to the Participant's payment of the applicable exercise price in the manner permitted under Section 5(b)(iv) above and the Participant's execution of a restricted stock purchase agreement having such terms, provisions and conditions not inconsistent with the Plan as may be determined by the Board in its sole discretion. Unless the Board determines otherwise, the restricted stock purchase agreement shall grant the Company a right to repurchase the Shares acquired by the Participant as a result of exercise of the Option upon the Participant's separation from service with the Company for any reason (including death or Disability). The purchase price for the unvested Shares repurchased by the Company pursuant to the restricted stock purchase agreement shall be the lesser of (i) original purchase price paid for the Shares by the Participant, and (ii) the Fair Market Value of the Shares as of the date of the repurchase. Such purchase price may be paid cash payment or by cancellation of any indebtedness of the Participant to the Company. During the period of the restrictions set forth in the restricted stock purchase agreement, the Shares acquired by the Participant upon exercise of the Option shall be treated as Restricted Stock under the Plan.

(viii) Incentive Stock Option Limitations. In the case of an Incentive Stock Option, the aggregate Fair Market Value (determined as of the time of grant) of the Shares with respect to which Incentive Stock Options are exercisable for the first time by the Participant during any calendar year under the Plan and/or any other plan of the Company or any Parent or Subsidiary will not exceed $100,000. For purposes of applying the foregoing limitation, Incentive Stock Options will be taken into account in the order granted. To the extent any Option does not meet such limitation, that Option will be treated for all purposes as a Non-Qualified Stock Option.

(ix) Disqualifying Disposition. Any Participant who makes a "disposition" (as defined in Section 424 of the Code) of all or any portion of shares of Common Stock acquired upon exercise of an Incentive Stock Option within two years from the grant date of such Incentive Stock Option or within one year after the issuance of the Shares acquired upon exercise of such Incentive Stock Option (a "**Disqualifying Disposition**") shall be required to immediately advise the Company in writing as to the occurrence of the sale and the price realized upon the sale of such Shares.

(x) Termination of Service. Unless otherwise specified in the applicable Award Agreement, Options will be subject to the terms of Section 6 with respect to exercise upon or following termination of employment or other service.

(xi) Transferability of Options. Except as may otherwise be specifically determined by the Board with respect to a particular Option: (i) no Option (including, without limitation, any economic right therein or related thereto including, but not limited to, any swap, forward, future or other financial derivative that derives its value from or by reference to the Shares underlying such Option) will be transferable by the Participant other than by will or by the laws of descent and distribution, and any such purported transfer shall be null and void ab initio; and (ii) all Options will be exercisable during the Participant's lifetime only by the Participant or, in the event of his or her Disability, by his or her personal representative. Notwithstanding the foregoing, subject to approval of the Board, a Non-Qualified Stock Option may be assigned in whole or in part during the Participant's lifetime to one or more members of the Participant's Immediate Family (as defined in the Bylaws) or to a trust established exclusively for the Participant and/or one or more such family members or to Participant's former spouse (including, without limitation, any domestic partner or partner by virtue of same-sex marriage and/or civil union), to the extent such assignment is in connection with the Participant's estate plan or pursuant to a domestic relations order. The assigned portion may only be exercised by the person or persons who acquire a proprietary interest in the Non-Qualified Stock Option pursuant to the assignment. If such assignment or transfer is permitted, a Participant shall be required to (i) make such representations and warranties as the Company may require in its sole and absolute discretion and (ii) enter into such agreements related to the transfer as the Company may require in its sole and absolute discretion.

SECTION 6. Termination of Service. Unless otherwise specified with respect to a particular Award, Options granted hereunder will remain exercisable after termination of employment or other service only to the extent specified in this Section 6.

(a) Termination by Reason of Death. If a Participant's service with the Company or any of its Affiliates terminates by reason of death, any Option held by such Participant may thereafter be exercised, to the extent then exercisable or on such accelerated basis as the Board may determine, at or after grant, by the legal representative of the estate or by the delegate of the Participant under the will of the Participant for a period expiring (i) at such time as may be specified by the Board at or after the time of grant (which, in the event that the Participant resides in the state of California, shall be no less than six (6) months from the date of termination), or (ii) if not specified by the Board, then twelve (12) months from the date of death, or (iii) if sooner than the applicable period specified under (i) or (ii) above, then upon the expiration of the stated term of such Option.

(b) Termination by Reason of Disability. If a Participant's service with the Company or any of its Affiliates terminates by reason of Disability, any Option held by such Participant may thereafter be exercised by the Participant or his or her personal representative, to the extent it was exercisable at the time of termination, or on such accelerated basis as the Board may determine at or after grant, for a period expiring (i) at such time as may be specified by the Board at or after the time of grant (which, in the event that the Participant resides in the state of California, shall be no less than six (6) months from the date of termination), or (ii) if not specified by the Board, then twelve (12) months from the date of termination of service, or (iii) if sooner than the applicable period specified under (i) or (ii) above, then upon the expiration of the stated term of such Option.

(c) Cause. If a Participant's service with the Company or any Affiliate is terminated for Cause or a determination is made by the Board that the Participant engaged in conduct that would be grounds for a termination for Cause (whether or not the Participant's service relationship is terminated for Cause or such Participant resigns prior to such determination), then (i) any outstanding Option shall thereupon be forfeited, and (ii) any Shares for which the Company has not yet delivered share certificates will be immediately and automatically forfeited and the Company will refund to the Participant the Option exercise price paid for such Shares, if any.

(d) Transfer; Approved Leave of Absence. For purposes of the Plan, no termination of employment by an employee shall be deemed to result from either (i) a transfer of employment to the Company from an Affiliate or from the Company to an Affiliate, or from one Affiliate to another, or (ii) an approved leave of absence for military service or sickness, or for any other purpose approved by the Company, if the employee's right to reemployment is guaranteed either by a statute or by contract or under the policy pursuant to which the leave of absence was granted or if the Board otherwise so provides in writing, in either case, except to the extent inconsistent with Section 409A of the Code if the applicable Award is subject thereto.

(e) Other Termination. If a Participant's service with the Company or any Affiliate terminates for any reason other than death, Disability or Cause, any Option held by such Participant may thereafter be exercised by the Participant, to the extent it was exercisable at the time of such termination, or on such accelerated basis as the Board may determine at or after grant, for a period expiring (i) at such time as may be specified by the Board at or after the time of grant (which, in the event that the Participant resides in the state of California, shall be no less than thirty (30) days from the date of termination), or (ii) if not specified by the Board, then ninety (90) days from the date of termination of service or (iii) if sooner than the applicable period specified under (i) or (ii) above, then upon the expiration of the stated term of such Option.

SECTION 7. Restricted Stock.

(a) Issuance. Restricted Stock may be issued either alone or in conjunction with other Awards. The Board will determine the time or times within which Restricted Stock may be subject to forfeiture, and all other conditions of such Awards.

(b) Awards and Certificates. The Award Agreement evidencing the grant of any Restricted Stock will contain such terms and conditions, not inconsistent with the terms of the Plan, as the Board deems appropriate in its sole and absolute discretion. The purchase price for Restricted Stock may, but need not, be zero. Subject to Section 16(g) of the Plan, one or more share certificates will be issued in connection with each Award of Restricted Stock. Such certificate will be registered in the name of the Participant receiving the Award, and will bear the following legend and/or any other legend required by this Plan, the Award Agreement, Stockholders Agreement, if any, or by applicable law:

> **THE TRANSFERABILITY OF THIS CERTIFICATE AND THE SHARES REPRESENTED HEREBY ARE SUBJECT TO THE TERMS AND CONDITIONS OF THE SENTRAIS, INC. 2026 EQUITY INCENTIVE PLAN AND AN AGREEMENT ENTERED INTO BETWEEN THE PARTICIPANT AND SENTRAIS, INC. (WHICH TERMS AND CONDITIONS MAY INCLUDE, WITHOUT LIMITATION, CERTAIN TRANSFER RESTRICTIONS, REPURCHASE RIGHTS AND FORFEITURE CONDITIONS). COPIES OF THAT PLAN AND AGREEMENT ARE ON FILE IN THE PRINCIPAL OFFICES OF SENTRAIS, INC. AND WILL BE MADE AVAILABLE TO THE HOLDER OF THIS CERTIFICATE WITHOUT CHARGE UPON REQUEST TO THE SECRETARY OF THE COMPANY.**

Share certificates evidencing Restricted Stock will be held in custody by the Company or in escrow by an escrow agent until the restrictions thereon have lapsed. As a condition to any Restricted Stock Award, the Participant may be required to deliver to the Company a stock power, endorsed in blank, relating to the Shares covered by such Award.

(c) Restricted Stock awarded pursuant to this Section 7 will be subject to the following restrictions and conditions:

(i) During a period commencing with the date of an Award of Restricted Stock and ending at such time or times as specified by the Board (the "**Restriction Period**"), the Participant will not be permitted to sell, transfer, pledge, assign or otherwise encumber Restricted Stock awarded under the Plan or any economic right therein or related thereto (including, but not limited to, any swap, forward, future or other financial derivative that derives its value from or by reference to such Restricted Stock). The Board may condition the lapse of restrictions on Restricted Stock upon the continued employment or service of the recipient, the attainment of specified individual or corporate performance goals, or such other factors or criteria as the Board may determine, in its sole and absolute discretion.

(ii) Except as provided in this Paragraph (ii) or Section 7(c)(i), once a Participant has been issued a certificate or certificates for Restricted Stock (or a Participant's ownership of Restricted Stock has otherwise been evidenced pursuant to Section SECTION 16(g) hereof), the Participant will have, with respect to the Restricted Stock, all of the rights of a stockholder of the Company, including, without limitation, the right to vote the Shares, and the right to receive any cash distributions or dividends. The Board, in its sole and absolute discretion, as determined at the time of award, may permit or require the payment of cash distributions or dividends to be deferred and, if the Board so determines, reinvested in additional Restricted Stock to the extent Shares are available under Section 3 of the Plan. Any distributions or dividends paid in the form of securities with respect to Restricted Stock will be subject to the same terms and conditions as the Restricted Stock with respect to which they were paid, including, without limitation, the same Restriction Period.

(iii) Subject to the applicable provisions of the Award Agreement, if a Participant's service with the Company and its Affiliates terminates prior to the expiration of the Restriction Period, all of that Participant's Restricted Stock which then remain subject to forfeiture will then be forfeited automatically without payment of consideration therefor.

(iv) If and when the Restriction Period expires without a prior forfeiture of the Restricted Stock subject to such Restriction Period (or if and when the restrictions applicable to Restricted Stock lapse pursuant to Section 3(d)), any certificates for such Shares will be replaced with new certificates, without the restrictive legends described in Section 7(b) applicable to such lapsed restrictions, and the Company (or its delegate) will, upon the Participant's request, and subject to the payment of any applicable fees required by the administrator of the Plan, provide such new certificates to the Participant, the Participant's representative (if the Participant has suffered a Disability), or the Participant's estate or heir (if the Participant has died).

SECTION 8. Restricted Stock Units. Subject to the other terms of the Plan, the Board may grant Restricted Stock Units to eligible individuals and may impose conditions on such units as it may deem appropriate. Each granted Restricted Stock Unit shall be evidenced by an Award Agreement in the form that is approved by the Board and that is not inconsistent with the terms and conditions of the Plan. Each granted Restricted Stock Unit shall entitle the

Participant to whom it is granted a distribution from the Company in an amount equal to the Fair Market Value (at the time of the distribution) of one Share. Distributions may be made in cash, Shares or a combination of cash and Shares. All other terms governing Restricted Stock Units, such as vesting, time and form of payment and termination of units shall be set forth in the Award Agreement. To the extent provided in an Award Agreement, the holder of Restricted Stock Units may be entitled to be credited with dividend equivalent payments (upon the payment by the Company of dividends on Shares) either in cash or, at the sole and absolute discretion of the Board, in Shares having a Fair Market Value equal to the amount of such dividends (and interest may, at the sole and absolute discretion of the Board, be credited on the amount of cash dividend equivalents at a rate and subject to such terms as provided by the Board), which accumulated dividend equivalent amounts shall be payable to the Participant upon the vesting of the Restricted Stock Units to which such dividend equivalent amounts relate, and to the extent such Restricted Stock Units are forfeited, the related dividend equivalent amounts shall be forfeited.

SECTION 9. **Other Share-Based Awards.** The Board is authorized, subject to limitations under applicable law and the other terms of the Plan, to grant to eligible Persons under Section 4, such other Awards that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, Shares (including, without limitation, stock appreciation rights and/or unrestricted shares of Common Stock), as deemed by the Board to be consistent with the purposes of the Plan. Each Award granted pursuant to this Section 9 (other than, in the discretion of the Board, an award of unrestricted shares of Common Stock) shall be evidenced by an Award Agreement in the form that is approved by the Board and that is not inconsistent with the terms and conditions of the Plan.

SECTION 10. **Amendments and Termination.** The Board may amend, alter or discontinue the Plan at any time. However, except as otherwise provided in Section 3(d) of the Plan, no amendment, alteration or discontinuation will be made which would materially impair the rights of a Participant with respect to an Award, without that Participant's consent, or which, without the approval of such amendment within one year (365 days) of its adoption by the Board, by the Company's stockholders in a manner consistent with Section 1.422-5 of the Treasury Regulations, would: (i) increase the total number of Shares reserved for the purposes of the Plan (except as otherwise provided in Section 3(c)), or (ii) change the persons or class of persons eligible to receive Awards. Notwithstanding the foregoing or any provision of the Plan or an Award to the contrary, (i) the Board may at any time (without the consent of a Participant) modify, amend or terminate any or all of the provisions of this Plan or an Award to the extent necessary to conform the provisions of the Plan or an Award with Section 409A of the Code other applicable law, the regulations issued thereunder or an exception thereto, regardless of whether such modification, amendment, or termination of the Plan and/or Award shall adversely affect the rights of a Participant, and (ii) no modification or amendment of any Incentive Stock Option shall require the Participant's consent as a result of such modification or amendment causing such Incentive Stock Option (A) to become a Non-Qualified Stock Option or (B) to be considered granted as of the date of such modification or amendment pursuant to Section 424 of the Code and Treasury Regulations Section 1.424-1(e). No course of conduct or course of dealing or failure or delay by the Company or any of its Affiliates (or any employee, officer, director or Consultant of the Company or any of its Affiliates) in enforcing or exercising any of the provisions of this Plan or any Award will affect the validity, binding effect or enforceability of the Plan or any Award or be deemed to be an implied waiver of any provision of the Plan or any Award. Notwithstanding anything to the contrary herein, following a termination of the Plan, with respect to Shares then outstanding that were issued pursuant to Awards thereunder, Sections 11, 12 and 13 shall continue in effect until and shall terminate upon the earliest to occur of (a) the consummation of the Company's first underwritten Public Offering of its Common Stock (other than a registration statement relating either to the sale of securities to employees of the Company pursuant to its stock option, stock purchase or similar plan or an SEC Rule 145 transaction) and (b) the consummation of a Change in Control and, in the case of Section 11 only, the distribution of proceeds to or escrow for the benefit of the Company's stockholders in accordance with the Company's certificate of incorporation in effect at such time; provided that the provisions of Section 11 shall continue after the closing of any Change in Control to the extent necessary to enforce the provisions of Section 11 with respect to such Change in Control.

SECTION 11. Drag-Along Right; Irrevocable Proxy and Power of Attorney

(a) Actions to be Taken. In the event that the holders of at least a majority of the outstanding capital stock of the Company (voting together on an as-converted to Common Stock basis) (the "**Electing Holders**") approve a Change in Control in writing, specifying that this Section 11 shall apply to such transaction, then, subject to satisfaction of each of the conditions set forth in Section 11(b) below, each Participant and the Company hereby agree:

(i) if such transaction requires stockholder approval, with respect to all Shares that such Participant owns or over which such Participant otherwise exercises voting power, to vote (in person, by proxy or by action by written consent, as applicable) all Shares in favor of, and adopt, such Change in Control (together with any related amendment or restatement to the Company's certificate of incorporation then in effect required to implement such Change in Control) and to vote in opposition to any and all other proposals that could reasonably be expected to delay or impair the ability of the Company to consummate such Change in Control;

(ii) if such transaction is a Stock Sale, to sell the same proportion of shares of capital stock of the Company beneficially held by such Participant as is being sold by the Electing Holders to the Person to whom the Electing Holders propose to sell their Shares, and, except as permitted in Section 11(a), on the same terms and conditions as the other stockholders of the Company;

(iii) to execute and deliver all related documentation and take such other action in support of the Change in Control as shall reasonably be requested by the Company or the Electing Holders in order to carry out the terms and provision of this Section 11, including, without limitation, executing and delivering instruments of conveyance and transfer, and any purchase agreement, merger agreement, any associated indemnity agreement, or escrow agreement, any associated voting, support, or joinder agreement, consent, waiver, governmental filing, share certificates duly endorsed for transfer (free and clear of impermissible liens, claims and encumbrances), and any similar or related documents;

(iv) not to deposit, and to cause their Affiliates not to deposit, except as provided in this Section 11, any Shares of the Company owned by such party or Affiliate in a voting trust or subject any Shares to any arrangement or agreement with respect to the voting of such Shares, unless specifically requested to do so by the acquirer in connection with the Change in Control;

(v) to refrain from (i) exercising any dissenters' rights or rights of appraisal under applicable law at any time with respect to such Change in Control, or (ii) asserting any claim or commencing any suit (x) challenging the Change in Control or this Plan, or (y) alleging a breach of any fiduciary duty of the Electing Holders or any affiliate or associate thereof (including, without limitation, aiding and abetting breach of fiduciary duty) in connection with the evaluation, negotiation or entry into the Change in Control, or the consummation of the transactions contemplated thereby;

(vi) if the consideration to be paid in exchange for the Shares pursuant to this Section 11 includes any securities and due receipt thereof by any Participant would require under applicable law (x) the registration or qualification of such securities or of any person as a broker or dealer or agent with respect to such securities; or (y) the provision to any Participant of any information other than such information as a prudent issuer would generally furnish in an offering made solely to "accredited investors" as defined in Regulation D promulgated under the Securities Act, the Company may cause to be paid to any such Participant in lieu thereof, against surrender of the Shares which would have otherwise been sold by such Participant, an amount in cash equal to the fair value (as determined in good faith by the Board) of the securities which such Participant would otherwise receive as of the date of the issuance of such securities in exchange for the Shares; and

(vii) in the event that the Electing Holders, in connection with such Change in Control, appoint a stockholder representative (the "**Stockholder Representative**") with respect to matters affecting the Participant under the applicable definitive transaction agreements following consummation of such Change in Control, (x) to consent to (i) the appointment of such Stockholder Representative, (ii) the establishment of any applicable escrow, expense or similar fund in connection with any indemnification or similar obligations, and (iii) the payment of such Participant's pro rata portion (from the applicable escrow or expense fund or otherwise) of any and all reasonable fees and expenses to such Stockholder Representative in connection with such Stockholder Representative's services and duties in connection with such Change in Control and its related service as the representative of the Participant, and (y) not to assert any claim or commence any suit against the Stockholder Representative or any other Person with respect to any action or inaction taken or failed to be taken by the Stockholder Representative, within the scope of the Stockholder Representative's authority, in connection with its service as the Stockholder Representative, absent fraud, bad faith, or willful misconduct.

(b) Conditions. Notwithstanding anything to the contrary set forth herein, a Participant will not be required to comply with Section 11(a) above in connection with any proposed Change in Control (the "**Proposed Sale**"), unless:

(i) any representations and warranties to be made by such Participant in connection with the Proposed Sale are limited to representations and warranties related to authority, ownership and in the case of Shares, the ability to convey title to such Shares, including, but not limited to, representations and warranties that (A) the Participant holds all right, title and interest in and to the Options or Shares such Participant purports to hold, free and clear of all liens and encumbrances, (B) the obligations of the Participant in connection with the transaction have been duly authorized, if applicable, (C) the documents to be entered into by the Participant have been duly executed by the Participant and delivered to the acquirer and are enforceable (subject to customary limitations) against the Participant in accordance with their respective terms; and (D) neither the execution and delivery of documents to be entered into by the Participant in connection with the transaction, nor the performance of the Participant's obligations thereunder, will cause a breach or violation of the terms of any agreement to which the Participant is a party, or any law or judgment, order or decree of any court or governmental agency that applies to the Participant;

(ii) the Participant is not liable for the breach of any representation, warranty or covenant made by any other Person in connection with the Proposed Sale, other than the Company (except to the extent that funds may be paid out of an escrow established to cover breach of representations, warranties and covenants of the Company as well as breach by any Company equity holder of any of identical representations, warranties and covenants provided by all equity holders);

(iii) liability shall be limited to such Participant's applicable share (based on the respective gross or net proceeds payable to each equity holder in connection with such Proposed Sale as determined by the Board and in accordance with the Company's certificate of incorporation in effect prior to the consummation of such Change in Control) of a negotiated aggregate indemnification amount that applies equally to all equity holders but that in no event exceeds the amount of consideration otherwise payable to such Participant in connection with such Proposed Sale, except with respect to claims related to fraud by such Participant, the liability for which need not be limited as to such Participant;

(iv) upon the consummation of the Proposed Sale (A) each holder of each class or series of the capital stock of the Company will receive the same form of consideration for their shares of such class or series as is received by other holders in respect of their shares of such same class or series of stock, (B) each holder of Common Stock will receive the same amount of consideration per share of Common Stock as is received by other holders in respect of their shares of Common Stock and (C) unless waived pursuant to the terms of the Company's certificate of incorporation then in effect, and as may be required by law, the aggregate consideration receivable by all holders of shares of the Company's capital stock shall be allocated among the holders of such capital stock on the basis of the relative liquidation preferences to which such holders are entitled in a Change in Control (assuming for this purpose that the Proposed Sale is a Change in Control) in accordance with the Company's certificate of incorporation in effect immediately prior to the Proposed Sale; provided, however, that, notwithstanding the foregoing provisions of this Section 11(b)(iv), if the consideration to be paid in exchange for the Participant's Shares pursuant to this Section 11(b)(iv) includes any securities and due receipt thereof by any Participant would require under applicable law (A) the registration or qualification of such securities or of any person as a broker or dealer or agent with respect to such securities; or (B) the provision to any Participant of any information other than such information as a prudent issuer would generally furnish in an offering made solely to "accredited investors" as defined in Regulation D promulgated under the Securities Act, the Company may cause to be paid to any such Participant in lieu thereof, against surrender of the Participant's Shares which would have otherwise been sold by such Participant, an amount in cash equal to the fair value (as determined in good faith by the Board) of the securities which such Participant would otherwise receive as of the date of the issuance of such securities in exchange for the Participant's Shares;

(c) Irrevocable Proxy and Power of Attorney.

(i) Proxy and Power of Attorney. Participant hereby constitutes and appoints as proxy and hereby grants a power of attorney to the President of the Company, and a designee of the Electing Holders, and each of them, with full power of substitution, with respect to votes regarding any Change in Control pursuant to Section 11 hereof, and hereby authorizes each of them to represent and vote, if and only if the party (i) fails to vote, or (ii) attempts to vote (whether by proxy, in person or by written consent), in a manner which is inconsistent with the terms of Section 11 of this Plan, all of such party's Shares in approval of any Change in Control pursuant to and in accordance with the terms and provisions of Section 11 or to take any action reasonably necessary to effect Section 11 of this Plan. The power of attorney granted hereunder shall authorize the President of the Company to execute and deliver the documentation referred to in Section 11(a)(iii) on behalf of any party failing to do so within five (5) calendar days of a request by the Company. Each of the proxy and power of attorney granted pursuant to this Section 11(c) is given in consideration of the right to receive an Award, and as such, each is coupled with an interest and shall be irrevocable unless and until such obligations expire in accordance with Section 11(e). Subject to Section 11(e), Participant hereby revokes any and all previous proxies or powers of attorney with respect to the Shares and shall not hereafter, unless and until this Section 11 shall cease to apply in accordance with Section 11(e), purport to grant any other proxy or power of attorney with respect to any of the Shares, deposit any of the Shares into a voting trust or enter into any other agreement, arrangement or understanding with any person, directly or indirectly, to vote, grant any proxy or give instructions with respect to the voting of any of the Shares, in each case, with respect to any of the matters set forth herein.

(ii) Specific Enforcement. Any breach of this Section 11 would result in substantial harm to the Company and its stockholders for which monetary damages alone could not adequately compensate; therefore, the Company shall be entitled to an injunction to prevent breaches of this Section 11, and to specific enforcement of this Section 11 and its terms and provisions in any action instituted in any court of the United States or any state having subject matter jurisdiction.

(iii) Remedies Cumulative. All remedies, either under this Plan or by law or otherwise afforded to the Company, shall be cumulative and not alternative.

(d) Transfers. Each permitted transferee or assignee of any Options or Shares issued pursuant to the Plan shall continue to be subject to Section 11 hereof, and such transferee shall, as a condition to such transfer, deliver an acknowledgement in form provided by the Company as confirmation that such permitted transferee or assignee shall be bound by all the terms and conditions of this Section 11. No Participant shall transfer or assign any Options or Shares to any Person who has not complied with the foregoing obligation.

(e) Conflicting Agreements. In the event of a conflict between this Section 11 and any other agreement between a Participant and the Company (whether existing today or first executed after the date hereof), that contains a drag-along in connection with a Change in Control and/or proxy and power of attorney related thereto, the Company and the Participant acknowledge and agree that the terms of such other agreement shall control and compliance with such other agreement shall be deemed compliance with this Section 11 in full.

SECTION 12. Market Stand-Off

(a) Agreement to Lock-Up. Each Participant hereby agrees that it will not, without the prior written consent of the managing underwriter, during the period commencing on the date of the final prospectus relating to the Company's initial Public Offering (the "**IPO**") and ending on the date specified by the Company and the managing underwriter (such period not to exceed one hundred eighty (180) days), or such other period as may be requested by the Company or an underwriter to accommodate regulatory restrictions on (1) the publication or other distribution of research reports; and (2) analyst recommendations and opinions, including, but not limited to, the restrictions contained in applicable FINRA rules, or any successor provisions or amendments thereto), (a) lend, offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, or otherwise transfer or dispose of, directly or indirectly, any shares of Company capital stock held immediately prior to the effectiveness of the registration statement for the IPO; or (b) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of Company capital stock, whether any such transaction described in clause (a) or (b) above is to be settled by delivery of shares of Company capital stock or other securities, in cash or otherwise. The foregoing provisions of this Section 12 shall not apply to the sale of any shares to an underwriter pursuant to an underwriting agreement. The underwriters in connection with the IPO are intended third party beneficiaries of this Section 12 and shall have the right, power and authority to enforce the provisions hereof as though they were a party hereto. Each Participant further agrees to execute such agreements as may be reasonably requested by the underwriters in the IPO that are consistent with this Section 12 or that are necessary to give further effect thereto.

(b) Stop Transfer Instructions. In order to enforce the foregoing covenant, the Company may impose stop-transfer instructions with respect to the shares of Company capital stock of each Participant (and transferees and assignees thereof) until the end of such restricted period.

SECTION 13. Right of First Refusal

(a) Right of First Refusal.

(i) Grant. Subject to the terms of Section 13(c) below, each Participant hereby unconditionally and irrevocably grants to the Company (and any assignee of the Company) a Right of First Refusal to purchase all or any portion of Transfer Stock that such Participant may propose to transfer in a Proposed Transfer, at the same price and on the same terms and conditions as those offered to the Prospective Transferee. The Company may assign its Right of First Refusal in whole or in part to one or more persons with respect to any Proposed Transfer and without the consent of the Participant.

(ii) Notice. Each Participant proposing to make a Proposed Transfer must deliver a Proposed Transfer Notice to the Company not later than sixty (60) days prior to the consummation of such Proposed Transfer. Such Proposed Transfer Notice shall contain the material terms and conditions (including price and form of consideration) of the Proposed Transfer, the identity of the Prospective Transferee and the intended date of the Proposed Transfer. To exercise its Right of First Refusal under this Section 13(a), the Company and/or ROFR Assignee(s), as applicable, must deliver a ROFR Exercise Notice to the selling Participant within fifteen (15) days after delivery of the Proposed Transfer Notice specifying the number of shares of Transfer Stock to be purchased by the Company and/or ROFR Assignee(s), as applicable. In the event of a conflict between this Section 13 and any other agreement between a Participant and the Company (whether existing today or first executed after the date hereof) that contains a right of first refusal, the Company and the Participant acknowledge and agree that the terms of such other agreement shall control and compliance with such other agreement shall be deemed compliance with this Section 13 in full. Notwithstanding the foregoing, in the event of a conflict between the Right of First Refusal contained in this Section 13 and a right of first refusal contained in the Bylaws, the terms of this Plan will control and compliance with this Plan shall be deemed compliance with the right of first refusal contained in the Bylaws.

(iii) Consideration; Closing. If the consideration proposed to be paid for the Transfer Stock is in property, services or other non-cash consideration, the fair market value of the consideration shall be as determined in good faith by the Board and as set forth in the ROFR Exercise Notice. If the Company or any ROFR Assignee cannot for any reason pay for the Transfer Stock in the same form of non-cash consideration, the Company and/or such ROFR Assignee, as applicable, may pay the cash value equivalent thereof, as determined in good faith by the Board and as set forth in the ROFR Exercise Notice. The closing of the purchase of Transfer Stock by the Company and/or any ROFR Assignee(s) shall take place, and all payments from the Company and/or ROFR Assignee(s) shall have been delivered to the selling Participant, by the later of (i) the date specified in the Proposed Transfer Notice as the intended date of the Proposed Transfer; and (ii) sixty (60) days after delivery of the Proposed Transfer Notice. Other than with respect to Exempt Transfers under Section 13(c), the Board may require a Participant to make a payment of up to $2,000 to the Company to cover administrative costs and expenses associated with any Proposed Transfer.

(iv) Additional Compliance. The number of Transfer Stock a Participant may transfer in connection with a Proposed Transfer shall be reduced by the number of Transfer Stock acquired by the Company and/or ROFR Assignee(s) pursuant to this Section 13. If a Proposed Transfer is not consummated by the date specified in the Proposed Transfer Notice as the intended date of the Proposed Transfer, the Participant proposing the Proposed Transfer may not sell any Transfer Stock unless they first comply in full (again) with each provision of this Section 13. The exercise or election not to exercise any right by the Company hereunder shall not adversely affect its right to participate in any other sales of Transfer Stock subject to this Section 13.

(v) Transfers. Any successor or permitted assignee of a Participant, including any ROFR Assignee and any Prospective Transferee who acquires shares of Transfer Stock in accordance with the terms hereof shall become subject to Section 13 hereof, and such successor or permitted assignee shall, as a condition to such transfer, confirm their agreement (in form provided by the Company) to be subject to and bound by all of the provisions set forth in this Section 13 that were applicable to the predecessor or assignor of such successor or permitted assignee. No Participant shall transfer or assign any Shares to any Person who has not complied with the foregoing obligation.

(b) Effect of Failure to Comply.

(i) Transfer Void; Equitable Relief. Any Proposed Transfer not made in compliance with the requirements of this Section 13 shall be null and void ab initio, shall not be recorded on the books of the Company or its transfer agent and shall not be recognized by the Company. Any breach of this Section 13 would result in substantial harm to the Company and its stockholders for which monetary damages alone could not adequately compensate; therefore, the Company and any ROFR Assignee shall be entitled to seek protective orders, injunctive relief and other remedies available at law or in equity (including, without limitation, seeking specific performance or the rescission of purchases, sales and other transfers of Transfer Stock not made in strict compliance with this Plan).

(ii) Violation of First Refusal Right. If any Participant becomes obligated to sell any Transfer Stock to the Company and/or any ROFR Assignee(s) under this Section 13 and fails to deliver such Transfer Stock in accordance with the terms of this Section 13, the Company and/or ROFR Assignee(s) may, at its option, in addition to all other remedies it may have, send to such Participant the purchase price for such Transfer Stock as is herein specified and transfer to the name of the Company or such ROFR Assignee (or in the case of a ROFR Assignee, request that the Company effect such transfer in the name of such ROFR Assignee) on the Company's books any certificates, instruments, or book entry representing the Transfer Stock to be sold.

(c) Exempt Transfers.

(i) Exempted Transfers. Notwithstanding the foregoing or anything contrary herein, other than Section 13(c)(i), the provisions of Sections 13(a) and 13(b) shall not apply (x) in the case of a Participant that is an entity, upon a transfer by such Participant to its stockholders, members, partners or other equity holders, (y) to a pledge of Transfer Stock that creates a mere security interest in the pledged Transfer Stock, provided that the pledgee thereof agrees in writing in advance to be bound by and comply with all applicable provisions of this Plan to the same extent as if it were the Participant making such pledge or (z) in the case of a Participant that is a natural person, upon a transfer of Transfer Stock by such Participant made for bona fide estate planning purposes, either during his or her lifetime or on death by will or intestacy to his or her spouse, child (natural or adopted), or any other direct lineal descendant of such Participant (or his or her spouse) (all of the foregoing collectively referred to as "family members"), or any other person approved by the Board (in its sole and absolute discretion), or any custodian or trustee of any trust, partnership or limited liability company for the benefit of, or the ownership interests of which are owned wholly by such Participant or any such family members; provided that in the case of clause(s) (x), (y) or (z), the Participant shall deliver prior written notice to the Company of such pledge, gift or transfer and such shares of Transfer Stock shall at all times remain subject to the terms and restrictions set forth in this Plan and such transferee shall, as a condition to such transfer, deliver an acknowledgement in form provided by the Company as confirmation that such transferee shall be bound by all the terms and conditions of this Section 13 as a Participant (but only with respect to the securities so transferred to the transferee), including the obligations of a Participant with respect to Proposed Transfers of such Transfer Stock; and provided further in the case of any transfer pursuant to clause (x) or (z) above, that absent consent of the Board (which consent may be given or withheld in the Board's sole and absolute discretion for any reason or no reason), such transfer is made pursuant to a transaction in which there is no consideration actually paid for such transfer.

(ii) Exempted Offerings. Notwithstanding the foregoing or anything to the contrary herein other than Section 13(c)(iii), the provisions of Section 13 shall not apply to the sale of any Transfer Stock (a) to the public in a Public Offering or (b) pursuant to a Change in Control.

(iii) Prohibited Transferees. Notwithstanding the foregoing, no Participant shall transfer any Transfer Stock to (a) any entity which, in the determination of the Board, directly or indirectly competes with the Company; or (b) any customer, distributor or supplier of the Company, if the Board should determine that such transfer would result in such customer, distributor or supplier receiving information that would place the Company at a competitive disadvantage with respect to such customer, distributor or supplier.

SECTION 14. **Unfunded Status of Plan.** The Plan is intended to be "unfunded." With respect to any payments not yet made to a Participant by the Company, nothing contained herein will give any such Participant any rights that are greater than those of a general creditor of the Company. In its sole and absolute discretion, the Board may authorize the creation of grantor trusts or other arrangements to meet the obligations created under the Plan to deliver Shares or payments in lieu of Shares or with respect to Awards.

SECTION 15. **Substitute Options.** Awards may, in the sole discretion of the Board, be granted under the Plan in assumption of, or in substitution for, outstanding awards previously granted by an entity acquired by the Company or an Affiliate or with which the Company or an Affiliate combines ("**Substitute Awards**"). Substitute Awards shall not be counted against the number of Shares available for issuance under Section 3 of the Plan; provided, that, Substitute Awards issued in connection with the assumption of, or in substitution for, outstanding Options that are intended to qualify as Incentive Stock Options shall be counted against the number of Shares set forth in Section 3(b) that may granted as Incentive Stock Options.

SECTION 16. **General Provisions**.

(a) The Board shall condition any Award upon compliance with applicable securities laws. No Awards shall be granted under the Plan and no Shares shall be issued and delivered upon the exercise of Options granted under the Plan unless and until the Company and/or the Participant have complied with all applicable federal and state registration, listing and/or qualification requirements and all other requirements of law or of any regulatory agencies having jurisdiction. The Board may require each Participant to represent to and agree with the Company in writing that the Participant is acquiring securities of the Company for investment purposes and without a view to distribution thereof and as to such other matters as the Board believes are appropriate. The certificate evidencing any Award and any securities issued pursuant thereto may include any legend which the Board deems appropriate to reflect any restrictions on transfer and compliance with applicable securities laws. All certificates for Shares or other securities delivered under the Plan will be subject to such share-transfer orders and other restrictions as the Board may deem advisable under the rules, regulations, and other requirements of the Securities Act, the Exchange Act, any stock exchange upon which the Shares are then listed, and any other applicable federal or state securities laws, and the Board may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

(b) Proceeds received by the Company from the sale of Shares pursuant to Awards, or upon exercise thereof, shall constitute general assets of the Company.

(c) Except as provided in the Plan, or an Award Agreement, no Participant shall be deemed to be the holder of, or to have any of the rights of a holder with respect to, any Shares subject to an Award unless and until such Participant has satisfied all requirements for exercise or settlement of the Award pursuant to its terms (including, without limitation, any obligation to execute a Stockholders Agreement) and, except pursuant to Section 3(c) hereof, no adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distributions of other rights for which the record date is prior to the date the Participant becomes the record owner of such Shares.

(d) Nothing contained in the Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to stockholder approval if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases.

(e) Neither the adoption of the Plan nor the execution of any document in connection with the Plan shall (i) confer upon any person any right to continued employment or engagement with the Company or any of its Affiliates, or (ii) interfere in any way with the right of the Company or any Affiliate to terminate the employment or engagement of any of its employees or other service providers at any time.

(f) No later than the date as of which an amount first becomes includible in the gross income of the Participant for federal income tax purposes with respect to any Award under the Plan, the Participant shall be obligated to pay to the Company, or make arrangements satisfactory to the Board regarding the payment of any federal, state, local or foreign taxes of any kind required by law to be withheld with respect to such amount. In the sole and absolute discretion of the Board, the minimum required withholding obligations may be settled with Shares, including Shares that are part of the Award that gives rise to the withholding requirement. The obligations of the Company under the Plan will be conditioned on such payment or arrangements and the Company shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to the Participant.

(g) Any Shares issuable under the Plan may be evidenced by book entry on the Company's books and records; provided, that upon a Participant's request, Common Stock certificates in an appropriate amount will be delivered to the Participant (except to the extent that the Company or another Person is permitted to hold such Shares in escrow).

SECTION 17. Effective Date of Plan. The Plan will become effective on the date that it is adopted by the Board. In the event the Plan is not approved by the Company's stockholders within twelve (12) months of the Plan's adoption by the Board, any Incentive Stock Option granted prior to the expiration of such 12-month period shall be treated for all purposes as a Non-Qualified Stock Option.

SECTION 18. Term of Plan. Unless terminated earlier pursuant to Section 10; no Award may be granted hereunder on or after the Expiration Date (as defined herein), but any Award granted prior to the termination of the Plan or the Expiration Date shall continue in effect thereafter in accordance with and subject to its terms and the terms of the Plan. The "**Expiration Date**" is the 10-year anniversary of the earlier of the date of the Plan's adoption by the Board and the date of stockholder approval of the Plan; provided, however, if the Board and if the stockholders approve an amendment that increases the number of shares subject to the Plan after its initial adoption, the Expiration Date shall be the 10th anniversary of the date of the earlier of Board or stockholder approval of such increase.

SECTION 19. Invalid Provisions. In the event that any provision of this Plan is found to be invalid or otherwise unenforceable under any applicable law, such invalidity or unenforceability will not be construed as rendering any other provisions contained herein as invalid or unenforceable, and all such other provisions will be given full force and effect to the same extent as though the invalid or unenforceable provision was not contained herein.

SECTION 20. Governing Law. The Plan and all Awards granted hereunder will be governed by and construed in accordance with the laws and judicial decisions of the state of Delaware, without regard to the application of the principles of conflicts of laws of the state of Delaware or any other jurisdiction.

SECTION 21. Plan Headings. The headings in the Plan are for purposes of convenience only and are not intended to define or limit the construction of the provisions hereof.

SECTION 22. Board Action. Notwithstanding anything to the contrary set forth in the Plan, any and all actions of the Board or Committee, as the case may be, taken under or in connection with the Plan and any agreements, instruments, documents, certificates or other writings entered into, executed, granted, issued and/or delivered pursuant to the terms hereof, will be subject to and limited by any and all votes, consents, approvals, waivers or other actions of all or certain stockholders of the Company or other persons required by:

(a) the Certificate of Incorporation of the Company (as the same may be amended and/or restated from time to time);

(b) the Bylaws; and

(c) any other agreement, instrument, document or writing now or hereafter existing, between or among the Company and its stockholders or other persons (as the same may be amended from time to time).

SECTION 23. Notices. Any notice to be given to the Company pursuant to the provisions of the Plan must be delivered by registered or certified mail, postage prepaid, and, addressed, if to the Company to its Secretary (or such other person as the Company may designate in writing from time to time) at its principal executive office, and, if to a Participant, to the address given beneath his or her signature on his or her Award Agreement, or at such other address as such Participant may hereafter designate in writing to the Company. Any such notice will be deemed duly given on the date and at the time delivered via personal, courier or recognized overnight delivery service or, if sent via telecopier, on the date and at the time telecopied with confirmation of delivery or, if mailed, on the date five (5) days after the date of the mailing (which will be by regular, registered or certified mail). Delivery of a notice by telecopy (with confirmation) will be permitted and will be considered delivery of a notice notwithstanding that it is not an original that is received. Notwithstanding the foregoing, the Company may give notice to any Participant by electronic transmission, which shall be deemed effective if given by a form of electronic transmission consented to by such Person or that the Company reasonably believes will be received by such Person.

SECTION 24. Section 280G.

(a) If any payment, benefit or distribution of any type to a Participant or for Participant's benefit, whether paid or payable, provided or to be provided, or distributed or distributable pursuant to the terms of the Plan or an Award Agreement or otherwise (collectively, the "**Parachute Payments**") could subject a Participant to the excise tax imposed under Section 4999 of the Code (the "**Excise Tax**") or may not be deductible as a result of Section 280G of the Code, the Parachute Payments shall be reduced so that the maximum amount of the Parachute Payments (after reduction) shall be one dollar ($1.00) less than the amount which would cause the Parachute Payments to be subject to the Excise Tax or would cause the Parachute Payments to not be deductible.

(b) Notwithstanding Section 24(a), the limitation of Section 24(a) above shall not apply to limit the Parachute Payments if, in accordance with Section 280G(b)(5)(B) of the Code and Treasury Regulations Section 1.280G-1, persons who, immediately prior to the applicable change in ownership of a corporation, change in the effective control of a corporation, or change in the ownership of a substantial portion of a corporation's assets (each as defined in Treasury Regulations Section 1.280G-1), own equity of the Company possessing more than seventy-five percent (75%) of the voting power of all outstanding equity of the Company held by equityholders eligible to vote, vote to approve any such payments or benefits, or portion thereof, which could be subject to the Excise Tax or may be subject to disallowance of deductions under Section 280G of the Code absent such shareholder approval.

SECTION 25. Section 409A. This Plan and all Award Agreements shall be interpreted in a manner that complies with or is exempt from Section 409A of the Code ("**Section 409A**"). Notwithstanding any provision of the Plan or an Award to the contrary, if any Award or benefit provided under this Plan is subject to the provisions of Section 409A, the provisions of the Plan and any applicable Award shall be administered, interpreted and construed in a manner necessary to comply with Section 409A or an exception thereto (or disregarded to the extent such provision cannot be so administered, interpreted or construed). Notwithstanding anything in the Plan or an Award Agreement to the contrary, in the event that any provision of the Plan or an Award Agreement is determined by the Board, in its sole discretion, to not comply with the requirements of Section 409A or an exemption thereto, the Committee shall, in its sole discretion, have the authority to take such actions and to make such interpretations or changes to the Plan or an Award Agreement as the Board deems necessary, regardless of whether such actions, interpretations, or changes shall adversely affect a Participant, subject to the limitations, if any, of applicable law. Without limitation of the foregoing:

(a) For purposes of Section 409A, and to the extent applicable to any Award or benefit under the Plan, it is intended that distribution events qualify as permissible distribution events for purposes of Section 409A and shall be interpreted and construed accordingly. With respect to payments subject to Section 409A, the Company reserves the right to accelerate and/or defer any payment to the extent permitted and consistent with Section 409A. Whether a Participant has "separated from service" (within the meaning of Section 409A) will be determined based on all of the facts and circumstances and, to the extent applicable to any Award or benefit, in accordance with the guidance issued under Section 409A.

(b) Notwithstanding any other provision of this Plan or any Award Agreement, if at the time of a Participant's termination of employment, such Participant is a "specified employee", determined in accordance with Section 409A, any payment or benefit provided under this Plan that constitutes "nonqualified deferred compensation" subject to Section 409A that is provided to such Participant on account of such Participant's separation from service shall not be paid until the first payroll date to occur following the six (6)-month anniversary of the Participant's termination date (the "**Specified Employee Payment Date**"). The aggregate amount of any payments or benefits that would otherwise have been made during such six (6)-month period shall be paid in a lump sum on the Specified Employee Payment Date, without interest, and thereafter, any remaining payments or benefits shall be paid without delay in accordance with their original schedule. If such Participant dies during the six (6)-month period, any delayed payments shall be paid to such Participant's estate in a lump sum as soon as practicable, and in all events within thirty (30) days, after the date of such Participant's death.

(c) The grant of Non-Qualified Stock Options and other stock rights may be granted under terms and conditions consistent with Treas. Reg. § 1.409A-1(b)(5) such that any such Award does not constitute a deferral of compensation under Section 409A.

(d) In no event shall any member of the Board, the Committee or the Company or any of its Affiliates (or any employee, officer, director or Consultant of the Company or any of its Affiliates) have any liability to any Participant (or any other Person) due to the failure of the Plan or an Award to satisfy the requirements of Section 409A.
