This Morgan Stanley 1099 Consolidated Tax Statement for 2025 provides your official tax information for use when preparing your tax return. It is important to note that the income information that was reported on your December account statement will not have included certain adjustments occurring after year-end but are reflected on your Form 1099 and are necessary for tax reporting purposes. The Account Number reflected on your 1099 forms is as of December 31, 2025.

The following tax documents are not included in this statement and are sent individually in separate mailings, if required: Forms 1099-R, 1099-Q, 1042-S, 2439, 5498, 5498-ESA, Schedule K-1 and Puerto Rico Forms 480.6A, 480.6B, 480.6C and 480.6D.

Morgan Stanley is pleased to provide you with the ability to download your tax information into the following individual tax preparation software applications: **TurboTax®**, **H&R Block Tax Software®**, and **Lacerte®**. You also have the ability to download Realized Gain/Loss transactions into Microsoft Excel® from Morgan Stanley Online. *You must be registered with Morgan Stanley Online to take advantage of these features. To enroll in Morgan Stanley Online, visit www.morganstanley.com/online.*

TurboTax® and Lacerte® are registered trademarks of Intuit, Inc. H&R Block Tax Software® is a registered trademark of H&R Block, Inc.

***** WARNING - CORRECTED TAX FORMS POSSIBLE *****
The Forms 1099 included in your Morgan Stanley 1099 Consolidated Tax Statement were prepared based upon information provided by the issuer of each security. The issuer may change the tax status of a distribution reported to you after the issuance of this 1099 Consolidated Tax Statement. If that occurs, we may be required to send you one or more corrections.

1g. WASH SALE LOSS DISALLOWED		\$0.00
4. FEDERAL INCOME TAX WITHHELD		\$0.00

IMPORTANT TAX INFORMATION -- PLEASE RETAIN FOR YOUR RECORDS

Recipient's taxpayer identification number (TIN). For your protection, this form may show only the last four digits of your TIN (social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN)). However, the issuer has reported your complete TIN to the IRS.

Account number. May show an account or other unique number the payer assigned to distinguish your account.

Form 1099-DIV (OMB No. 1545-0110)

Box 1a. Shows total ordinary dividends that are taxable. Include this amount on the "Ordinary dividends" line of Form 1040 or 1040-SR. Also, report it on Schedule B (Form 1040), if required.

Box 1b. Shows the portion of the amount in box 1a that may be eligible for reduced capital gains rates. See the Instructions for Forms 1040 for how to determine this amount and where to report. The amount shown may be dividends a corporation paid directly to you as a participant (or beneficiary of a participant) in an employee stock ownership plan (ESOP). Report it as a dividend on your Form 1040 or 1040-SR but treat it as a plan distribution, not as investment income, for any other purpose.

Box 2a. Shows total capital gain distributions from a regulated investment company (RIC) or real estate investment trust (REIT). See *How To Report* in the Instructions for Schedule D (Form 1040). But, if no amount is shown in boxes 2b, 2c, 2d and 2f and your only capital gains and losses are capital gain distributions, you may be able to report the amounts shown in box 2a on your Form 1040 or 1040-SR rather than Schedule D. See the Instructions for Form 1040.

Box 2b. Shows the portion of the amount in box 2a that is unrecaptured section 1250 gain from certain depreciable real property. See the *Unrecaptured Section 1250 Gain Worksheet* in the Instructions for Schedule D (Form 1040).

Box 2c. Shows the portion of the amount in box 2a that is section 1202 gain from certain small business stock that may be subject to an exclusion. See the Schedule D (Form 1040) instructions.

Box 2d. Shows the portion of box 2a that is 28% rate gain from sales or exchanges of collectibles. If required, use this amount when completing the 28% Rate Gain Worksheet in the Instructions for Schedule D (Form 1040).

Box 2e. Shows the portion of the amount in box 1a that is section 897 gain attributable to disposition of U.S. real property interests (USRPI).

Box 2f. Shows the portion of the amount in box 1a that is section 897 gain attributable to disposition of U.S. real property interests (USRPI). Note: Boxes 2e and 2f apply only to foreign persons and entities whose income maintains its character when passed through or distributed to its direct or indirect foreign owners or beneficiaries. It is generally treated as effectively connected to a trade or business within the United States. See the Instructions for your tax return.

Box 3. Shows a return of capital. To the extent of your cost (or other basis) in the stock, the distribution reduces your basis and is not taxable. Any amount received in excess of your basis is taxable to you as capital gain. See Pub. 550.

Box 4. Shows backup withholding. A payer must backup withhold on certain payments if you did not give your taxpayer identification number to the payer. See Form W-9, Request for Taxpayer Identification Number and Certification, for information on backup withholding. Include this amount on your income tax return as tax withheld.

Box 5. Shows the portion of the amount in box 1a that may be eligible for the 20% qualified business income deduction under section 199A. See the Instructions for Form 8965 and Form 9965-A.

Box 6. Shows your share of expenses of a nonpublicly offered RIC, generally a nonpublicly offered mutual fund. This amount is included in box 1a.

Box 7. Shows the foreign tax that you may be able to claim as a deduction or a credit on Form 1040 or 1040-SR. See the Instructions for Forms 1040.

Box 8. This box should be left blank if a RIC reported the foreign tax shown in box 7.

Boxes 9 and 10. Shows cash and noncash liquidation distributions.

Box 11. If the FATCA reporting requirement is checked, the payer is reporting on this Form 1099 to satisfy its account reporting requirement under section 4 of the Internal Revenue Code. You may also have a filing requirement. See the Instructions for Form 8938.

Box 12. Shows exempt interest dividends from a mutual fund or other RIC paid to you during the calendar year. See the Instructions for Form 1040 for where to report. This amount may be subject to backup withholding. See Box 4 above.

Box 13. Shows exempt-interest dividends subject to the alternative minimum tax. This amount is included in box 1. See the Instructions for Form 6251.

Boxes 14-16. State income tax withheld reporting boxes.

Nominees. If this form includes amounts belonging to another person, you are considered a nominee recipient. You must file Form 1099-DIV (with a Form 1096) with the IRS for each of the other owners to show their share of the income, and you must furnish a Form 1099-DIV to each. A spouse is not required to file a nominee return to show amounts owned by the other spouse. See the current General Instructions for Certain Information Returns.

Form 1099-INT (OMB No. 1545-0112)

The information provided may be different for covered and noncovered securities. For a description of covered securities, see the Instructions for Form 8949. For a taxable covered security acquired at a premium, unless you notified the payer in writing in accordance with Regulations section 1.6045-1(n)(5) that you did not want to amortize the premium under section 171, or for a tax-exempt covered security acquired at a premium, your payer generally must report either (1) a net amount of interest that reflects the offset of the amount of interest paid to you by the amount of premium amortization allocable to the payment(s), or (2) a gross amount of interest paid to you and the premium amortization allocable to the payment(s). If you did notify your payer that you did not want to amortize the premium on a taxable covered security, then your payer will only report the gross amount of interest paid to you. For a noncovered security acquired at a premium, your payer is only required to report the gross amount of interest paid to you.

Box 1. Shows taxable interest paid to you during the calendar year by the payer. This does not include interest shown in box 3. May also show the total amount of the credits from clean, renewable energy bonds, new clean renewable energy bonds, qualified energy conservation bonds, qualified zone academy bonds, qualified school construction bonds, and build America bonds that must be included in your interest income. These amounts were treated as paid to you during 2024 on the credit allowance dates (March 1 and June 15, September 15 and December 15). For more information, see Form 8912. See the instructions above for a taxable covered security acquired at a premium.

Box 2. Shows interest or principal forfeited because of early withdrawal of time savings. You may deduct this amount to figure your adjusted gross income on your income tax return. See the Instructions for Forms 1040 to see where to take the deduction.

Box 3. Shows interest on U.S. Savings Bonds, Treasury bills, Treasury bonds, and Treasury notes. This may or may not all be taxable. See Pub. 550. This interest is exempt from state and local income taxes. This interest is not

included in box 1. See the instructions above for a taxable covered security acquired at a premium.

Box 4. Shows backup withholding. Generally, a payer must backup withhold if you did not furnish your TIN or you did not furnish the correct TIN to the payer. See Form W-9, Request for Taxpayer Identification Number and Certification, for information on backup withholding.

Box 5. Any amount shown is your share of investment expenses of a single-class REMIC. This amount is included in box 1. Note: This amount is not deductible.

Box 6. Shows foreign tax paid. You may be able to claim this tax as a deduction or a credit on your Form 1040 or 1040-SR. See your tax return instructions.

Box 7. Shows the country or U.S. territory to which the foreign tax was paid.

Box 8. Shows tax-exempt interest paid to you during the calendar year by the payer. See how to report this amount on the Instructions for Forms 1040. This amount may be subject to backup withholding. See Box 4 above. See the instructions above for a tax-exempt covered security acquired at a premium.

Box 9. Shows tax-exempt interest subject to the alternative minimum tax. This amount is included in box 1. See the Instructions for Form 6251. See the instructions above for a tax-exempt covered security acquired at a premium.

Box 10. For a taxable or tax-exempt covered security, if you made an election under section 1278(b) to include market discount in income as it accrues and you notified the payer in writing in accordance with Regulations section 1.6045-1(n)(5), shows the market discount that accrued on the debt instrument during the year while held by you, unless it was reported on Form 1099-OID. For a taxable or tax-exempt covered security acquired on or after January 1, 2015, market discount accrued on the debt instrument on a constant yield basis if you notified your payer in writing in accordance with Regulations section 1.6045-1(n)(5) that you did not want to make a constant yield election for market discount under section 1278(b). Report the accrued market discount on your income tax return as directed in the Instructions for Forms 1040 and 1040-SR. Market discount on a tax-exempt security is includible in taxable income as interest income.

Box 11. For a taxable covered security (other than a U.S. Treasury obligation), shows the amount of premium amortization allocable to the interest payment(s) unless you notified the payer in writing in accordance with Regulations section 1.6045-1(n)(5) that you did not want to amortize bond premium under section 171. If an amount is reported in this box, see the Instructions for Schedule B (Form 1040) to determine the net amount of interest includible in income on Form 1040 or 1040-SR with respect to the U.S. Treasury obligation. If an amount is reported in this box for a taxable covered security acquired at a premium and the payer is reporting premium amortization, the payer has reported a net amount of interest in box 1. If the amount in box 11 is greater than the amount of interest paid on the covered security, see Regulations section 1.171-2(a)(4).

Boxes 15-17. State income tax withheld reporting.

Box 15. Shows the amount of premium amortization allocable to the interest payment(s), unless you notified the payer in writing in accordance with Regulations section 1.6045-1(n)(5) that you did not want to amortize bond premium under section 171. If an amount is reported in this box, see the Instructions for Schedule B (Form 1040) to determine the net amount of interest includible in income on Form 1040 or 1040-SR with respect to the U.S. Treasury obligation. If an amount is not reported in this box for a U.S. Treasury obligation that is a covered security acquired at a premium and the payer is reporting premium amortization, the payer has reported a net amount of interest in box 3. If the amount in box 12 is greater than the amount of interest paid on the U.S. Treasury obligation, see Regulations section 1.171-2(a)(4).

Box 13. For a tax-exempt covered security, shows the amount of premium amortization allocable to the interest payment(s) unless you notified the payer in writing in accordance with Regulations section 1.6045-1(n)(5) that you did not want to amortize bond premium under section 171. If an amount is reported in this box for a tax-exempt covered security acquired at a premium, the payer has reported a net amount of interest in box 8 or 9, whichever is applicable. If the amount in box 13 is greater than the amount of interest paid on the tax-exempt covered security, the excess is a nondeductible loss. See Regulations section 1.171-2(a)(4)(ii).

Box 14. Shows CUSIP number(s) for tax-exempt bond(s) on which tax-exempt interest was paid, or tax credit bond(s) on which taxable interest was paid or tax credit was allowed, to you during the calendar year. If blank, no CUSIP number was issued for the bond(s).

Nominees. If this form includes amounts belonging to another person(s), you are considered a nominee recipient. You must file Form 1099-INT for each of the other owners showing the income allocable to each. File Copy A of the form with the IRS. Furnish Copy B to each owner. List yourself as the "payer" and the other owner(s) as the "recipient." File Form(s) 1099-INT with Form 1096 with the Internal Revenue Service Center for your area. On Form 1096 list yourself as the "filer." A spouse is not required to file a nominee return to show amounts owned by the other spouse.

Form 1099-OID (OMB 1545-0117)

Original issue discount (OID) is the excess of an obligation's stated redemption price at maturity over its issue price (acquisition price for a stripped bond or coupon). OID on a taxable obligation is taxable as interest over the life of the obligation. If you are the holder of a taxable OID obligation, you generally must include the amount of premium amortization allocable to the payment(s) in your income. Obligations that may have OID include a bond, debenture, note, certificate, or other evidence of indebtedness having a term of more than 1 year. For example, the OID rules may apply to certificates of deposit (CDs), time deposits, bonus savings bonds, and zero-coupon annuities. The payment of interest is deferred until maturity. In addition, the OID rules apply to Treasury inflation-protected securities. See Pub. 550 for more information. If, as the record holder, you receive Form 1099-OID showing amounts belonging to another person, you are considered a nominee recipient. Complete Form 1099-OID for the other owner(s) showing the amounts allocable to each. File Copy A of the form with the IRS. Furnish Copy B to each owner. List yourself as the "payer" and the other owner as the "recipient." File Form(s) 1099-OID with Form 1096 with the Internal Revenue Service Center for your area. On Form 1096 list yourself as the "filer." A spouse is not required to file a nominee return to show amounts owned by the other spouse. If you bought or sold an obligation during the year and you are not a nominee, you are not required to issue or file Form 1099-OID showing the OID or stated interest. The amount of interest reported on the form is the amount of interest that may be different for covered and noncovered securities. For a description of covered securities, see the Instructions for Form 8949. For a covered security acquired with acquisition premium, your payer generally must report either (1) a net amount of interest that reflects the offset of the amount of interest paid to you by the amount of premium amortization for the year, or (2) a gross amount of interest paid to you and the acquisition premium amortization for the year. For a non covered security acquired with acquisition premium, your payer is only required to report the gross amount of OID.

Box 1. Shows the OID on a taxable obligation for the part of the year you owned it. Report the amount in box 1 as interest income on your income tax return. However, depending on the type of debt instrument, the issue or acquisition

date, and other factors (for example, if you paid an acquisition premium, or the obligation is a stripped bond or coupon), you may have to figure the correct amount to report on your return. See Pub. 1212, Guide to Original Issue Discount (OID) Instruments, for details on how to figure the correct OID. See the instructions above for a covered security acquired with acquisition premium.

Box 2. Shows qualified stated interest on this obligation for the year, which is an amount separate from the OID. If you held the obligation the entire year, report this amount as interest income on your tax return. If you disposed of the obligation or acquired it from another holder during the year, see Pub. 550 for how to figure the correct amount to report on your return. Boxes 2 and 8, the amount in box 2 is interest on a U.S. Treasury obligation and is exempt from state and local income taxes. If there is an amount in both boxes 2 and 11, the amount in box 2 is tax-exempt interest and is not included in interest income on your tax return. In general, see how to report tax-exempt interest in the Instructions for Form 1040.

Box 3. Shows interest or principal forfeited if you withdrew the money before the maturity date of the obligation, such as from a CD. You may deduct this amount to figure your adjusted gross income on your income tax return. See the Instructions for Forms 1040 to see where to take the deduction.

Box 4. Shows backup withholding. Generally, a payer must backup withhold if you did not furnish your Taxpayer Identification Number (TIN) or you did not furnish the correct TIN to the payer. See Form W-9, Request for Taxpayer Identification Number and Certification, for information on backup withholding. Include this amount on your income tax return as tax withheld.

Box 5. For a covered security acquired with OID, if you made an election under section 1278(b) to include market discount in income as it accrues and you notified the payer in writing in accordance with Regulations section 1.6045-1(n)(5), shows the market discount that accrued on the debt instrument during the year while held by you. For a tax-exempt obligation that is a covered security acquired on or after January 1, 2017, and issued with OID, shows the market discount that accrued on the obligation during the year while held by you. For a covered security acquired on or after January 1, 2015, market discount will be calculated on a constant yield basis unless you notified your payer in writing in accordance with Regulations section 1.6045-1(n)(5) that you did not want to make a constant yield election for market discount under section 1278(b). If an amount is reported in this box, report the market discount for a tax-exempt obligation that is a covered security acquired before January 1, 2017. Report the accrued market discount on your income tax return as directed in the Instructions for Form 1040. Market discount on a tax-exempt security is includible in taxable income as interest income.

Box 6. For a taxable covered security, shows the amount of acquisition premium amortization for the year that reduces the amount of OID that is included as interest on your income tax return. If an amount is reported in this box, report the amount of acquisition premium amortization for the year that reduces the amount of interest included in income on your income tax return. If the amount in box 6 is greater than the amount of interest included in income on your income tax return, the excess is a nondeductible loss.

Box 7. Shows the identification (CUSIP) number or description of the obligation (may include the stock exchange, issuer, coupon rate, and year of maturity). See Pub. 1212 for information on the U.S. Treasury obligation for the part of the year you owned it. Report this amount as interest on your federal income tax return, and see Pub. 1212 to figure any appropriate adjustments to this amount. This OID is exempt from state and local income taxes and is not included in box 2. See the instructions above for a covered security acquired with acquisition premium. If you received this box as a nominee, report the amount of adjustment. See Pub. 550 for further information on accounting for this adjustment.

Box 8. Any amount shown is your share of investment expenses of a single-class REMIC. This amount is included in box 2. This amount is not deductible.

Box 9. For a taxable covered security, including a Treasury inflation-protected security, shows the amount of premium amortization allocable to the interest payment(s), unless you notified the payer in writing in accordance with Regulations section 1.6045-1(n)(5) that you did not want to amortize bond premium under section 171. If an amount is reported in this box, see the Instructions for Schedule B (Form 1040 or 1040-SR). If an amount is not reported in this box for a taxable covered security acquired at a premium and the payer is reporting premium amortization, the payer has reported a net amount of interest in box 2. If the amount in this box is greater than the amount of interest paid on the covered security, see Regulations section 1.171-2(a)(4). If there is an amount in both boxes 10 and 11, for a tax-exempt obligation that is a covered security acquired on or after January 1, 2017, and issued with OID, the amount in box 10 shows the amount of acquisition premium amortization for the year that reduces the amount of your tax-exempt interest for the year. The payer may, but is not required to, report the premium amortization for a tax-exempt obligation that is a covered security acquired before January 1, 2017, and issued with OID.

Box 10. For any amount shown is your share of investment expenses of a single-class REMIC. This amount is included in box 2. This amount is not deductible.

Box 11. For a taxable covered security, including a Treasury inflation-protected security, shows the amount of premium amortization allocable to the interest payment(s), unless you notified the payer in writing in accordance with Regulations section 1.6045-1(n)(5) that you did not want to amortize bond premium under section 171. If an amount is reported in this box, see the Instructions for Schedule B (Form 1040 or 1040-SR). If an amount is not reported in this box for a taxable covered security acquired at a premium and the payer is reporting premium amortization, the payer has reported a net amount of interest in box 2. If the amount in this box is greater than the amount of interest paid on the covered security, see Regulations section 1.171-2(a)(4). If there is an amount in both boxes 10 and 11, for a tax-exempt obligation that is a covered security acquired on or after January 1, 2017, and issued with OID, the amount in box 10 shows the amount of acquisition premium amortization for the year that reduces the amount of your tax-exempt interest for the year. The payer may, but is not required to, report the premium amortization for a tax-exempt obligation that is a covered security acquired before January 1, 2017, and issued with OID.

Box 12. Shows the amount of acquisition premium amortization for the year that reduces the amount of your tax-exempt interest for the year. The payer may, but is not required to, report the premium amortization for a tax-exempt obligation that is a covered security acquired before January 1, 2017, and issued with OID.

Box 13. Shows the cash you received, the fair market value of any property or services you received, and the fair market value of any trade credits or scrip credited to your account by a barter exchange. See Pub. 525.

Boxes 14-16. Show state(s)/local income tax information

Form 1099-RE (OMB No. 1545-0115)

Box 1. Report rents from real estate on Schedule E (Form 1040). However, report rents on Schedule C (Form 1040) if you provided significant services to the tenant, sold real estate as a business, or rented personal property as a business. See Pub. 527.

Box 2. Report payments from oil, gas, or mineral properties; copyrights; and patents on Schedule E (Form 1040). However, report payments for a working interest as explained in the Schedule E (Form 1040) instructions. For royalties on timber, coal, and iron ore, see Pub. 544.

Box 3. Generalize the amount on the "Other income" line of Schedule 1 (Form 1040), and identify the payment. The amount shown may be payments received as the beneficiary of a deceased employee, prizes, awards, taxable damages, Indian gaming profits, or other taxable income. See Form 1040. If you trade or business income, report this amount on Schedule C (Form 1040).

Box 4. Shows backup withholding or withholding on Indian gaming profits. Generally, a payer must backup withhold if you did not furnish your taxpayer identification number. See Form W-9 and Pub. 500 for more information. Report this amount on your income tax return as tax withheld.

Box 6. For individuals, report on Schedule C (Form 1040).

Box 8. Shows substitute payments in lieu of dividends or tax-exempt interest received by your broker on your behalf as a result of a loan of your securities. Report on the "Other income" line of Schedule 1 (Form 1040).

Box 9. Report this amount on Schedule F (Form 1040).

Boxes 16-18. Show state or local income tax withheld from the payments.

Box 1c. Shows the trade date of the sale or exchange. For short sales, the date shown is the date the security was delivered to close the short sale. For aggregate reporting in boxes 8 through 11, no entry will be present.

Box 1d. Shows the cash proceeds, reduced by any commissions or transfer taxes related to the sale or exchange, for transactions involving stocks, debt, commodity futures, forward contracts, non-Section 1256 option contracts, or securities futures contracts. May show the proceeds from the disposition of your interest(s) in a widely held fixed investment trust. May also show the aggregate amount of cash and the fair market value of any stock or other property received in a reportable change in control or capital structure arising from the corporate transfer of property to a foreign corporation. Losses on forward contracts or non-Section 1256 option contracts are shown in parentheses. This box does not include proceeds from regulated futures contracts or Section 1256 option contracts. Report this amount on Schedule D (Form 1040) (whichever is applicable) as explained in the Instructions for Schedule D (Form 1040).

Box 1e. Shows the cost or other basis of securities sold. If the securities were acquired through the exercise of a non compensatory option granted or acquired on or after January 1, 2014, the basis has been adjusted to reflect your option premium. If the securities were acquired through the exercise of a non compensatory option granted or acquired before January 1, 2014, your broker is permitted, but not required, to adjust the basis to reflect your option premium. If the securities were acquired through the exercise of a compensatory option, the basis has not been adjusted to include any amount related to the option that was reported to you on a Form W-2. If box 5 is checked, box 1e may be blank. See the Instructions for Form 8949, the Instructions for Schedule D (Form 1040), or Pub. 550 for details.

Box 1f. Shows the amount of nondeductible loss in a wash sale transaction. Report this amount on Schedule D (Form 1040) (whichever is applicable) as explained in the Instructions for Form 8949, and Pub. 550. If box 5 is checked, box 1f may be blank.

Box 1g. Shows the amount of nondeductible loss in a wash sale transaction. Report this amount on Schedule D (Form 1040) (whichever is applicable) as explained in the Instructions for Form 8949, and Pub. 550. If box 5 is checked, box 1g may be blank.

Box 2. The short-term and long-term boxes pertain to short-term gain or loss and long-term gain or loss. If the Ordinary box is checked, your security may be subject to special rules for reporting. For example, gain on a contingent payment debt instrument subject to the noncontingent bond method generally is treated as ordinary interest income rather than as capital gain. Please see the Instructions for Form 8949, Pub. 550, or Pub. 1212 for more details on whether there are any special rules or adjustments that might apply to your security. If box 5 is checked, box 2 may be blank.

Box 3. If checked, proceeds are from a transaction involving collectibles or from a Qualified Opportunity Fund (QOF). See the Instructions for Schedule D (Form 1040) for more information on backup withholding. Include this amount on your income tax return as tax withheld.

Box 5. If checked, the securities sold were noncovered securities and boxes 1b, 1e, 1f, 1g, and 2 may be blank. Generally, a noncovered security means: stock purchased before 2011, stock in most mutual funds purchased before 2012, stock purchased in or transferred to a dividend reinvestment plan before 2012, debt acquired before 2014, options granted or acquired before 2014, and securities futures contracts entered into before 2014.

Box 6. If the exercise of a non-compensatory option resulted in a sale of a security, a checked "Net proceeds" box indicates whether the amount in box 1d was adjusted for option premium.

Box 7. If checked, you cannot take a loss on your tax return based on gross proceeds from a reportable change in control or capital structure reported in box 1d. See the Form 8949 and Schedule D instructions. The broker should advise you of any losses on a separate statement.

Regulated Futures Contracts, Foreign Currency Contracts, and Section 1256 Option Contracts (Boxes 8 Through 11)

Box 8. Shows the profit or (loss) realized on regulated futures, foreign currency, or Section 1256 option contracts closed during 2025.

Box 9. Shows any year-end adjustment to the profit or (loss) shown in box 8.

Box 10. Shows the unrealized profit or (loss) on open contracts held in your account on December 31, 2025. These are considered closed out as of that date. This will become an adjustment reported as unrealized profit or (loss) on your 2026 return—12/31/2026 in 2026.

Box 11. Boxes 8, 9, and 10 are all used to figure the aggregate profit or (loss) on regulated futures, foreign currency, or Section 1256 option contracts for the year. Include this amount on your 2025 Form 9781.

Box 12. If checked, the basis in box 1e has been reported to the IRS and either the short-term or the long-term gain or loss box in box 2 will be checked. If box 12 is checked on Form(s) 1099-B and NO adjustment is required, see the instructions for your Schedule D (Form 1040) as you may be able to report your transaction directly on Schedule D (Form 1040). If the "Ordinary" box in box 2 is checked, an adjustment may be required.

Box 13. Shows the cash you received, the fair market value of any property or services you received, and the fair market value of any trade credits or scrip credited to your account by a barter exchange. See Pub. 525.

Boxes 14-16. Show state(s)/local income tax information

Form 1099-RE (OMB No. 1545-0115)

Box 1. Report rents from real estate on Schedule E (Form 1040). However, report rents on Schedule C (Form 1040) if you provided significant services to the tenant, sold real estate as a business, or rented personal property as a business. See Pub. 527.

Box 2. Report payments from oil, gas, or mineral properties; copyrights; and patents on Schedule E (Form 1040). However, report payments for a working interest as explained in the Schedule E (Form 1040) instructions. For royalties on timber, coal, and iron ore, see Pub. 544.

Box 3. Generalize the amount on the "Other income" line of Schedule 1 (Form 1040), and identify the payment. The amount shown may be payments received as the beneficiary of a deceased employee, prizes, awards, taxable damages, Indian gaming profits, or other taxable income. See Form 1040. If you trade or business income, report this amount on Schedule C (Form 1040).

Box 4. Shows backup withholding or withholding on Indian gaming profits. Generally, a payer must backup withhold if you did not furnish your taxpayer identification number. See Form W-9 and Pub. 500 for more information. Report this amount on your income tax return as tax withheld.

Box 6. For individuals, report on Schedule C (Form 1040).

Box 8. Shows substitute payments in lieu of dividends or tax-exempt interest received by your broker on your behalf as a result of a loan of your securities. Report on the "Other income" line of Schedule 1 (Form 1040).

Box 9. Report this amount on Schedule F (Form 1040).

Boxes 16-18. Show state or local income tax withheld from the payments.

**1099-DIV DIVIDENDS & DISTRIBUTIONS / Non-Dividend Distributions (continued)**

DESCRIPTION	CUSIP	PAY DATE	AMOUNT	FEDERAL INCOME TAX WITHHELD	NOTES
WILLIAMS CO INC	969457100	12/29/25	\$0.56	\$0.00	
Total Non-Dividend Distributions 1099-DIV box 3			\$53.73		
Total Federal Income Tax Withheld 1099-DIV box 4				\$0.00	

OS The fund company has determined that this dividend payment which you received in 2026 is reportable as taxable income for 2025.

OP This dividend was declared in 2024 and paid to you in January 2025. If the fund company elected to partially defer this payment for tax reporting purposes, then a portion of this payment was reported on your 2024 Form 1099-DIV and this amount represents the remaining portion of that payment that is taxable in 2025. If the 2024 declared dividend was fully deferred by the fund company, this amount represents the entire payment that is reportable in 2025.

AR Lennar Corp Class A distribution of Millrose Properties Inc Class A is taxable as a dividend and is reportable on Form 1099-DIV. Millrose Properties Inc Class A received was valued at \$23.49. The fair market value was not available when the stock dividend was processed, so the dividend was not included on your monthly statements but is on your Form 1099.

AH There was a taxable exchange of Ansys Inc for Synopsis Inc. The fair market value of Synopsis Inc is \$571.20. The proceeds amount shown is equal to the fair market value times the number of shares received plus cash received.

SUPPLEMENTAL FOREIGN SECURITY TAX INFORMATION**Foreign Dividend Income Breakdown**

This section displays a summary of your foreign dividends and amounts that are treated as Qualified Dividends. This information is reported at the summary level on Form 1099-DIV in this Consolidated Tax Statement.

DIVIDEND TYPE	ORDINARY DIVIDENDS	QUALIFIED DIVIDENDS
Foreign Dividends	\$115.68	\$115.68

Summary of Foreign Investments

This section displays a summary of your foreign dividends and interest received, and the amount of foreign tax paid to each jurisdiction. This section may be relevant when completing IRS Form 1116 (Foreign Tax Credit), if applicable. The dividend and interest transactions from which these amounts are derived are displayed in the 1099-DIV and 1099-INT detail sections of this Consolidated Tax Statement.
