

NFLIT360 - Version 8.1 Integration Registry

Document ID: NFLIT360_Version_Registry
Version: 8.1
Date: December 13, 2025
Status: PRODUCTION READY
Supersedes: NFLIT360 v8.0
Framework: Sentrais Intelligence Operating System + NIN Forensics
Parent System: EVERGAME

Executive Value Proposition

NFLIT360 v8.1 delivers complete EVERGAME integration with seasonal phase awareness, per-game recertification, and hierarchical data roll-up:

Metric	Value
Annual Savings	\$4.62M
Systems Managed	9
Stadiums	32
Playbooks	16

Tasks	708
Platform Tiers	4
Seasonal Phases	4
Critical Gates	6 (T-50m)

Version 8.1 Key Enhancements

1. EVERGAME Hierarchy Integration

- IT_EVERGAME is one domain within parent EVERGAME system
- Data rolls up: Task → Game → Week → Season → EVERGAME
- Cross-domain placeholders: Security, Broadcast, Venue Ops
- Executive view aggregates all domains

2. Four-Tier Platform Ecosystem

Tier 1: Venue Certification → Foundation (BLOCKING)
Tier 2: IT EVERGAME Platform → Season Planning
Tier 3: GDA Readiness → Task Execution
Tier 4: EVERGAME 360 Dashboard → Real-Time View → EVERGAME

3. Seasonal Operating Cycle

Phase	Window	Focus	Dashboard Mode
Offseason	Feb-May	Planning	PLANNING_CERTIFICATION
Preseason	Jun-Aug	Validation	VALIDATION_TESTING
Regular Season	Sep-Jan	Live Ops	LIVE_OPERATIONS
Post Season	Jan-Feb	Elevated	ELEVATED_OPERATIONS

4. Venue Certification & VRI

- Venue Readiness Index (0-100) with threshold of 95
- Four certification tiers: Stadium, Personnel, Equipment, Game Day
- HARD thresholds block operations regardless of overall VRI

5. Per-Game Recertification

Window	Name	Gate Type
T-48h to T-24h	Planning Recertification	SOFT
T-24h to T-12h	Equipment & Personnel	SOFT
T-12h to T-6h	System Readiness	HARD
T-6h	Game Day Certification	HARD (Blocking)

6. T-50m Critical Gates

Gate	System	Type	Impact
Medical Timeout	IVRS	ABSOLUTE	Game cannot start
Field Communications	O2O	HARD	Official comms
IVRS Readiness	IVRS	HARD	Replay
O2O System Ready	O2O	HARD	Game integrity
IR Tech Ready	IR_TECH	HARD	Instant replay
HAWKEYE 50-Minute	HAWKEYE	HARD	Player tracking

7. After Action Reports

- **Game AAR:** Every game, finalized within 48h
- **Seasonal AAR:** Post Super Bowl, finalized within 30 days
- Both feed into EVERGAME and next cycle planning

Document Registry
