

# SENTRAI

Operational Intelligence for Google Cloud

*"Architecting Calm Through Chaos"*

# The Opportunity

## GOOGLE'S POSITION

### LA28 Official Cloud Provider

Founding Partner status announced October 2025

## THE GAP

Infrastructure alone doesn't win events. Coordination does.  
Google needs an operational intelligence layer.

## THE SOLUTION

Sentra is provides proven operational intelligence already deployed across 32 NFL stadiums.

## MAJOR EVENTS CONVERGENCE

### FIFA World Cup

48 teams • 104 games • 16 cities

### FIFA Women's World Cup

32 teams • Brazil

### LA28 Olympics

15,000+ athletes • 70,000+ workforce

# Why Google Over AWS

**Key Insight:** Google has Olympic relationships but no operational layer. Sentrais + Google = complete solution.

# What Sentrais Brings

\$600K implementation + \$1.9M annually x 3 years

Game-day operations across entire league

Multi-year operational coordination leadership

## FOUNDER CREDENTIALS

### Tye Hayes, CEO

Navy veteran, crisis management

Former CIO/CTO of Atlanta

Critical infrastructure cyber command

NFL Innovation Hub operator

## PROVEN METRICS

**99.7%**

Platform Uptime

**34%**

Faster Response

**Already building on GCP.** This is an acceleration partnership.

# The Partnership Ask

CLOUD CREDITS

**\$350,000**

24 months - AI Startup tier

STRATEGIC INVESTMENT

**\$750,000**

Convertible note - \$15M cap

GTM SUPPORT

**\$500,000**

Technical + co-marketing

TOTAL PARTNERSHIP VALUE

**\$1.6M**

## WHAT GOOGLE GETS

Operational intelligence layer for LA28

NFL playbooks in GCP ecosystem

High-consumption GCP flywheel

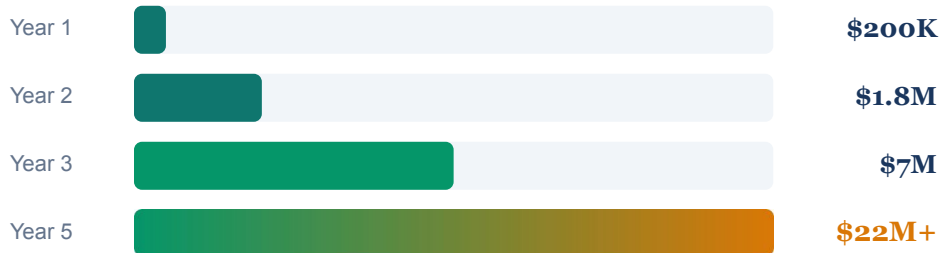

Real AI validation (Gemini/Vertex)

Sports vertical leadership vs AWS

**Exclusivity:** Sports & Major Events vertical for 3 years

# GCP Consumption Flywheel

PROJECTED GCP SPEND

**110x growth** from Year 1 to Year 5

High-consumption: compute + ML + IoT + analytics

## GCP SERVICES USED

### BigQuery + Spanner

Unified Frame data storage

### Vertex AI + BigQuery ML

NIN Intelligence engine

### Pub/Sub + Dataflow

Real-time event streaming

### Cloud Run + API Gateway

Serverless APIs

# Go-to-Market Together

## JOINT PURSUIT TARGETS

### LA28 Organizing Committee

Venue ops coordination - Q1 2026

### FIFA 2026 Host Cities

16 cities need coordination - Q3 2025

### MLB Teams

Extend Google MLB partnership - Q2 2026

### Live Nation Venues

400+ venues globally - Q4 2025

## PARTNERSHIP TIMELINE

### Q1 2026: Partnership Announcement

Joint press + Cloud Next showcase

### Q2 2026: FIFA World Cup Pursuit

Joint proposals to host cities

### 2027: Scale Operations

50+ venues + case studies

### 2028: LA28 Olympics Execution

Full operational intelligence

# Let's Build the Future of Major Events Together

**\$1.6M**

Partnership Value

**\$22M+**

Year 5 GCP Spend

**LA28**

Joint Opportunity

**Request: Meeting with Google Cloud Sports & Strategic Partnerships**
